**GOELZER INVESTMENT MANAGEMENT DONATES
35,000 MEALS TO GLEANERS FOOD BANK AT
SIXTH ANNUAL COLTS TAILGATE EVENT**

***Tailgate Event Held at NK Hurst Bean Field on
November 13th Prior to Colts vs. Jacksonville Game***

***Since 2006, Goelzer Investment Management Has Donated Over 170,000 Meals to Hoosiers
in Need***

To help the increasing number of Hoosiers in need of food assistance, Goelzer Investment Management is hosting its sixth annual Colts Tailgate event **on Sunday, November 13, 2011 at NK Hurst Bean Field** and will be donating **35,000 meals to Gleaners Food Bank of Indiana** in association with this event. The Indianapolis investment company is donating over three skids of NK Hurst beans to Gleaners Food Bank to generate 35,000 meals for needy people in Indianapolis. The annual event is being held from 11:00 a.m. to 1 p.m. at NK Hurst Bean Field parking lot, located directly across from the new Lucas Oil Stadium.

2011 is the sixth year Goelzer Investment Management has donated meals to Gleaners Food Bank to kick off the winter season of giving. In total, the firm has donated **170,000 meals** to Hoosiers in need. Goelzer's continuing effort is important as the number of Hoosiers living in poverty has increased by over 50% since 2000.

To contribute to the food donation to Gleaners, Goelzer Investment Management invites Colts fans to stop by NK Hurst Bean field prior to the Colts game to drop off canned food. Drop boxes will be located at the entrance areas of the NK Hurst Bean parking lot.

Why beans?? A bean dinner is high in complex carbohydrates, protein, and dietary fiber, helping to satisfy hunger because it is absorbed slowly. Beans are also high in calcium, iron, folate, and potassium.

"Hundreds of thousands of Hoosiers are still staggering from this economy," says Cindy Hubert, president and CEO of Gleaners. "In fact, our emergency food distribution is up 21% over the record-breaking levels of last year. In our 21-county service area in central and southeastern Indiana, we have 311,000 people who are struggling with food insecurity and hunger and one in three is a child."

According to Hubert, "community partnerships are a vital part of Gleaners' ability to provide food for the families who depend on our local emergency hunger relief network. We are so grateful for the continued support of Goelzer Investment Management. The annual tailgate event is a fun way for people to get involved and help our neighbors in need."

"With many families being challenged with difficult financial times, we recognize the staggering increase of hungry families in our community," says Greg Goelzer, CEO of Goelzer Investment Management. "Since we launched the Tailgate event in 2006, we believe we have made a significant contribution to reducing hunger by providing over 170,000 meals to the hungry."
