Phil Yager joined Goelzer Investment Management in 2006 with over 20 years of securities trading experience. He is responsible for the timely execution and clearing of the firm's equity and fixed income securities transactions. He also serves as the lead trading liaison for Goelzer's trading and custodial relationship with the Pershing LLC division of BNY Securities Group.

Before joining Goelzer Investment Management, Phil was a NASDAQ equity trader at the Indianapolis office of NatCity Investments, Inc., a subsidiary of National City Corporation based in Cleveland, Ohio. At NatCity he executed NASDAQ trades for individual, institutional, and broker-dealer clients, including transactions related to corporate stock repurchases and large block equity orders. Prior to that, Phil was an Assistant Vice President at Indianapolis-based City Securities Corporation, where he was an equity trader for agency and proprietary accounts, executing transactions on the Chicago Stock Exchange and the NASDAQ.

Born in Indianapolis, Phil holds a degree in Business Administration from Indiana Wesleyan University.
